Level: Grade V

Eugene Tacs Tacuque is the second child of Mr. and Mrs. George Tacuque who are both vendors in the school. Eugene is a diligent child and shows interest in his studies. They were from Tulanun, North Cotabato but decided to stay in Mlang and rented a house.

School Performance 2012-2013: Promoted to Grade VI

Eugene had an impressive performance in all his academic subjects. He was one of the pupils in Grade V – SPED 1 with honors last recognition day. Most of the time, I could see him reading different books, an indication that he was really motivated in his schooling. He would like to thank WIMLER for sponsoring his education.
